MUNICIPAL ALLIANCE

PARTNERING FOR A DRUG FREE COMMUNITY

The Metuchen Municipal Alliance and the Metuchen Public School District welcome our residents and neighboring communities to join us for an educational parent series program. This is a **FREE** program **for adults over 21 only** that will consist of **three** workshops discussing important health topics affecting today's youth. These topics were chosen based on suggestions from participants answering our survey that was distributed after the DEA presentation of **Hidden in Plain Sight** at Edgar Middle School, December 2017.

Please mark your calendars!
