# SAM'S 5K

## **ABOUT SAM:**

Sam Liss was one of the founding members of the Breaking the Chain Through Education Club at Metuchen High School. Last summer, he tragically passed away from cancer. Now, we are holding this run to honor him and the organization that he supported.

## **OUR STORY:**

Breaking the Chain Through Education is a non-profit organization dedicated to eradicating child slavery in Ghana, West Africa. This charity was started in 2006 by Evan Robbins with his students from Metuchen High School. All of our work is centered around the belief that every child, regardless of the social and economic conditions into which he or she is born, has the right to freedom and an education. We are currently supporting 76 formerly trafficked children with food, uniforms, and school fees.
