# Grade Level General Supply Lists

In anticipation of the “Early Bird Summer Sales”, the following chart provides you with a list of the grade level general supplies that each child will need.

Once your child’s teacher assignment is published in mid-August, you will be able to check their individual webpage by going to [www.metuchenschools.org](http://www.metuchenschools.org) and clicking on the **Our Teachers** tab. This will be where you can review any additional items that may be requested by your child’s teacher.

Thank you, and have a wonderful summer!
