Dear Parents/Guardians:

## RE: New Bell Schedule at the High School

Effective with this school year (19-20), the high school will be implementing a new bell schedule. The revised schedule will allow for a four-minute passing time. With the addition of the new Science classrooms and the staircase being located in this new addition, it was necessary to increase the passing time between classes. This new schedule will change the dismissal time at the high school from 2:45pm to **2:50pm**. This schedule change will also be reflected in our early dismissal and delayed opening schedules. All bell schedules can be found on the high school website under the Information tab. Please find the revised bell schedule below:
