Dear Metuchen parents and students,

As part of Metuchen's commitment to continual growth and improvement, Metuchen High School is again going through the process to become accredited by The Middle States Association of Colleges and Schools. To receive accreditation a school must demonstrate that they meet Middle States' rigorous criteria for quality educational programs, operations, and services. Accreditation is a seven year process that includes many steps such as candidacy application, a site visit by a Middle States team, and the compilation of school goals and action plans to accomplish them.

Metuchen High School is currently in the self-study phase in which we compile information about the school from all stakeholders, reflect on areas in which we can improve, and set goals to address them. As part of this self-study we ask that you complete either the student or parent version of the Standards for School survey, which you can access by going to the link below. In the survey you will be asked to rate the school on how well it meets each of the twelve Standards for Accreditation of the Middle States Association. Feedback from parents and students is crucial to our ability to create meaningful school goals and plans to reach them.

The survey should take about 15-20 minutes to complete. We ask that you complete the survey by Friday, August 7th. If you encounter any technological problems during the survey please contact Ms. La Fauci at smlafauci@metboe.k12.nj.us or 732.321.8743.

Thank you for your continued support of the school and its work to ensure the best educational experiences for Metuchen students.

Sincerely,

A handwritten signature in cursive script that reads "Bruce Peragallo".
