Mailings For School Year 2010-2011

Beginning in September 2010, there will be two ways that you can receive mailings from the high school.

- All mailings will be posted to the high school website. A Honeywell Alert message will be sent out informing everyone when website is updated with the current mailing.
- We will be sending mailings electronically via email. You can fill out the information on the attached form and return to the Front Office before June 23 or fill out the on-line form. Please check the high school website for Mailing List form or go directly to the following URL address:
<http://spreadsheets.google.com/viewform?hl=en&formkey=dHZ3ZFE5bnc1R0g5ajhkU3FNaS1teEE6MQ>

It is important that you list each child separately as some mailings that are sent out are sent to a specific grade level. If you would like more than one email address to receive mailings, please list both. Also, when you receive your child's emergency card in September, there will be a section asking for your email address as well.

If you do not have access to a computer, please note that the Metuchen Public Library has computer access. If you have any questions, please call the Front Office at the high school at 732-321-8744. Thank you for your cooperation in this matter.
