Tickets are available in the High School during the day (\$7 prior to opening night) or at the door on the night of each performance (\$10). Tickets for children under 12 and senior citizens are \$7. All academic subjects, music/art, theater/dance, gifted and talented, computers, and travel are some of the many areas available. If you are interested, please contact the Guidance Department and ask about this file. You can also log into your Naviance account and click on the “Colleges” tab, then go to college research, then enrichment programs and there will be a list of programs or you can search by topic. Counselors are available for advice or assistance. Also, please review the enclosed registration form for the summer program, “SAT Prep,” which is being offered by the MHS Guidance Department.
